

To the people of Grace Heartland church, Thank you All who set the soldier's Appreciation day events together. It was a wonderful thing, It was A day for me to remember. For get the other churches here in Fort Knox they don't compare, But yes thank you! My battlebudies and I Johnny Valenzuela really enjoyed it. Also we enjoyed the desserts you all served, Even though we got burned back at our barracks. But no worries we are used to it. We enjoy PT we do it every afternoon before we sleep so yeah All does cookies and cakes we ate were worth it thank you! Now my battlebudies and I will sleep and continue our Job to complet basic combat training knowing we are being thought off and prayed for from the people who believe of what we are doing. We really mean it when we say

Thank you!
