

### **Military Ministry**

*The GHC Military Ministry is blessed to serve brave men and women in uniform who protect our freedoms, put service above self, and provide a sense of security and peace for all of us. As we share God's love and the Good News of Jesus Christ with deployed service members, families, and active-duty military, we pray that God's true hand be upon them. Join us on the front line as we meet the spiritual needs of our military.*

#### **Our Mission**

*To Reach and Encourage Military Men, Women, and Their Families with God's Love.*

*To Reach and Encourage Military Men, Women, and Their Families with God's Love.*

*We envision programs like corresponding with deployed service members via email and mailing care packages containing devotionals, snacks, personal items, and worship CDs. We're also considering caring for spouses that are left behind by providing services like grocery shopping, car repair, lawn care, and childcare (Big Brothers-Big Sisters type program). As you see this is all really exciting, but we need your help.*
